80% to the shareholders pro rata and 20% to the Sponsor as carried interest.

6 TRANSFER RESTRICTIONS

No shareholder may transfer any share for a lock-up period of thirty-six (36) months from the date of this Agreement, save to a wholly-owned affiliate that adheres to this Agreement by deed. Thereafter transfers are subject to the pre-emption procedure in Clause 7.

7 PRE-EMPTION, TAG & DRAG

A shareholder wishing to transfer shall first offer them to the other at the proposed price, which offer remains open for thirty (30) days. On a bona fide third-party sale of 75% or more of the issued shares, the selling shareholders may drag the remainder on identical terms; equally, a minority shareholder may tag along on the same terms and price.

8 DEADLOCK

Where a Reserved Matter is not resolved within thirty (30) days, the matter is escalated to the chief executives of each shareholder for a further thirty (30) days. Failing resolution, either party may invoke the shoot-out procedure: the initiating party names a price per share at which it will either buy the other's shares or sell its own, and the recipient elects which within twenty (20) business days.

9 UNDERTAKINGS & NON-COMPETE

Each shareholder undertakes to act in good faith towards the Company, and - for so long as it holds shares and for twelve (12) months thereafter - not to acquire or develop a competing mixed-use waterfront asset within a 3 km radius of the Property without the other's consent.
