

LIMITED PARTNERSHIP AGREEMENT

Bohio RE Opportunity Fund III LP - a QFMA-regulated closed-end real estate fund. DRAFT - strictly private and confidential - for negotiation purposes only.

1. The Fund

This Agreement establishes Bohio RE Opportunity Fund III LP (the "Fund"), a closed-end vehicle regulated by the Qatar Financial Markets Authority (QFMA), targeting aggregate commitments of SAR 500M from a limited group of institutional and family-office limited partners. The Fund will pursue core-plus and value-add real estate across Qatar and the wider GCC.

2. Management Fee

The General Partner shall be entitled to a management fee of 1.75% per annum, charged on committed capital during the investment period and on invested cost thereafter, payable quarterly in advance.

3. Carried Interest and Preferred Return

Distributions shall be made to the Limited Partners until they have received an 8% preferred return (compounded annually) on drawn capital. Above the preferred return, the General Partner shall receive a 20% promote, subject to a 50/50 GP catch-up until the GP has received 20% of total profits above the return of capital.

4. Term

The Fund shall have an 8-year term from final close, extendable by up to two successive one-year periods with the consent of the LP Advisory Committee. The investment period shall be four years from first close.

5. GP Commitment

The General Partner shall commit not less than 3% of total commitments, funded pari passu with the Limited Partners, aligning the GP with the economic interests of the Fund.

6. Key-Man Provision

If both of the named key principals cease to devote substantially all of their business time to the Fund, the investment period shall be automatically suspended pending a Limited Partner vote to resume, remove or replace the affected principals (the "key-man" event).

7. Clawback

The General Partner shall be subject to a clawback obligation: on liquidation, any carried interest distributed in excess of its entitlement (after giving effect to the preferred return and return of capital to the Limited Partners) shall be returned to the Fund, net of taxes actually paid.

8. GP Indemnification

GP liability to the Fund shall be capped at the aggregate management fees earned, save in cases of fraud, wilful misconduct or gross negligence. The Fund shall indemnify the GP within that cap.

9. LP Advisory Committee

A Limited Partner Advisory Committee (LPAC) shall be established, comprising representatives of the anchor Limited Partners, with authority over conflicts of interest, valuation policy and removal of the GP for cause.

Executed as a draft for negotiation. This document is illustrative sample content prepared for a product demonstration and does not constitute a real offer, agreement or legal advice.
